

TIRZ 17-Town Hall Meeting

Subject: Memorial Dr. Drainage & Mobility Improvements (T-1738A)
Date: April 14, 2015
Time: 6:30 pm - 8:00 pm
Location: Memorial Middle School

TIRZ 17 will be hosting a town hall meeting to present the TIRZ's capital improvement project, Memorial Drive Drainage and Mobility Improvements (T-1738A). This meeting will be held on April 14, 2015 at Memorial Middle School. The primary purpose of the meeting is to seek community input on the propose project's lane configuration and other general comments. The event will include a power point presentation outlining the projects scope & benefits, and multiple informational stations to update the public on this upcoming TIRZ 17 CIP project. The informational stations will be interactive to allow the meeting participants to engage the engineers to ask and answer questions. Citizens are highly encouraged to attend and offer questions or comments. The meeting will be concluded by summarizing the feedback received and planned schedule for advancing the project.

Memorial Middle School is located at 12550 Vindon Drive, Houston, Texas 77024. Refer to TIRZ 17 website (<http://houstontirz17.org/>) for more information and updates.
