**III. CONSIDERATION AND POSSIBLE ACTION TO APPROVE A PRELIMINARY PLAT FOR 8 VALLEY FORGE – *Karen Glynn, City Administrator***

Karen Glynn, Acting City Secretary/Community Development, presented the item:

Construction of a new home at 8 Valley Forge is currently underway. During the plan review, it was found that no final plat was ever recorded with Harris County. As a result, the property owner's representatives have submitted the attached preliminary plat for the Planning and Zoning Commission and ultimately, the City Council's approval. The property does not qualify for a short form final plat as the property does not lie within an existing public street circulation. Valley Forge is considered as a private street.

Staff and our consultant have met with the property representatives for the required planning meeting. The Preliminary Plat does not propose any changes to the property.

Staff, as well as the City's platting consultant, have reviewed the plat and after revisions, has found the plat meets all requirements of the City's Ordinances. Staff recommended that the Planning and Zoning Commission approve the Preliminary Plat and allow the submission of a final plat for consideration and action.

**A motion was made by Commissioner Going and seconded by Commissioner Muschalik to approve a preliminary plat at 8 Valley Forge.**
